

Savor the unexpected
Black Rock Wine Tasting *by Domaine Sigalas*

Black Rock Santorini Secret's gastronomical expression, has partnered with the Domaine Sigalas to offer a unique, customized wine experience to our guests. Our sommelier will exclusively present you six wines of the multi-awarded winery and will guide you through the history of the indigenous grape varieties and what the volcanic soil has to offer. One of the few places in the world where old vines can be located, with the viticultural region being more than 3000 years old.

Let your taste buds travel you back in time with vines aged more than fifty years ago, with the remarkable pruning method, savor some ancient varieties like Assyrtiko, Mavrotragano and Mandilaria.

Sample a local signature from the award winning Domaine Sigalas at the Black Rock restaurant with a specially curated wine list featuring top-rated wines available by 1 oz to taste, just for you or for a group of six.

Unwind and enjoy the experience of tasting the authentic Santorinian wines.
